A GREAT BLESSING

Dearest Swamiji, We are celebrating this life's journey and the mission you have embraced so well through all these years. You have changed so many lives for the better.

My parents met you in 1982 and I was introduced to you and to your teachings right after. Indeed it was a great blessing You have guided us through the years. Thank you, our dear Swamiji, for you have made us aware of the

Whole, the broad picture and the deeper, esoteric meaning behind every thought, word and deed.

IN GRATITUDE

O guiding light in the
darkest hour,
a beacon of wisdom,
a boundless power,

Your words, like stars,
illuminate the way.
With each step,
you lead us to a brighter day.

Your gaze, a mirror
reflecting the soul's core,
Unveiling truths
we've never known before,

Through patience and grace,
you patiently mend,
A loving hand,
a devoted friend.

The tangled knots of doubt,
you gently untie,
lifting the veil,
revealing the sky.

With every lesson,
a seed is sown,
to blossom in hearts,
where knowledge is grown.

Oh, Guru, a sacred flame
that burns so bright,
your teachings, our compass
in the endless night.

In gratitude we bow,
with reverence deep,
for the path you show,
and our hearts you keep.
